## **ROSETTANET 2006 MEMBERSHIP AGREEMENT**

### **Goal**

The RosettaNet initiative will harness the global and pervasive reach of the Internet by defining and leading the implementation of open and common business processes designed to align the electronic interfaces between partners in the Electronic Components (EC), Computer and Consumer Electronics (CCE), Semiconductor Manufacturing (SM), Logistics (LG), and Telecommunication (TC) supply chains enabled by the Solution Provider (SP) community. As a condition of admission as a RosettaNet Partner, the applicant agrees to promote and advocate the goals of the RosettaNet initiative and meet their obligations as a RosettaNet Partner.

### **Requirements**

I understand that RosettaNet membership requires:

- A commitment of resources to support my company's participation in the RosettaNet initiative
- A commitment to support the Partner Interface Process® (PIP®) implementation effort and satisfy RosettaNet PIPs within our company and with as many key trading partners as possible
- A non-refundable membership fee that is due at time of enrollment, and is renewable at the end of each year
- Agreement to abide by the RosettaNet Bylaws and Intellectual Property Memorandum
- Agreement to abide by the terms in the RosettaNet initiative

### **RosettaNet IP Policy**

Upon admission to membership, applicant acknowledges and consents to the RosettaNet Intellectual Property Policy as adopted by the RosettaNet Councils. Copies of the RosettaNet Intellectual Property Policy are available to all RosettaNet Partners, and are incorporated herein by this reference.

### **Standards Development**

By execution of this application, applicant agrees to abide by the RosettaNet standards development methodology, as modified by the Councils as necessary. Copies of the RosettaNet standards development methodology are available to all RosettaNet Partners, and are incorporated herein by this reference.

### **Organization and Bylaws**

RosettaNet was organized as a California non-profit consortium on March 31, 1998 and has qualified as a tax-exempt organization under Internal Revenue Code Section 501(c)(6) and applicable state law. In addition to regular Partners who serve on the RosettaNet Councils, the organization includes members of supply chain companies, solution provider companies, standards bodies, trade associations, and government agencies. RosettaNet Council Members will build, promote, and satisfy the initiative's business process standards. The organization's Bylaws are available to all RosettaNet Partners, and are incorporated herein by this reference. By execution of this application, applicant agrees to abide by the RosettaNet Bylaws, as modified by the Executive Committee on occasion, as a condition to admission as a RosettaNet Partners.

### **Trademarks**

Partner Interface Process®, PIP®, PIPs®, and the RosettaNet logo are trademarks or registered trademarks of "RosettaNet", a non-profit organization. RosettaNet logos may be reproduced only according to RosettaNet's Application Guidelines and Standards of Reproduction (as referenced on the RosettaNet website). All other product names and company logos mentioned herein are the trademarks of their respective owners.

### **Communications**

As a RosettaNet Partner, applicant agrees to support consortium communications by participating marketing related activities, including press events, interviews with press and industry analysts, etc. Applicant permits the use of member company logo on RosettaNet website, promotional materials and authorizes RosettaNet to include company name in program related materials, where appropriate. Partner also agrees to follow comply with RosettaNet's Partner Style Guide (available on RosettaNet website).

**Notifications**

Changes to company status such as new ownership or company name change must be received in writing and will require a new application to be completed. I further understand that admission to membership will be determined, in its sole discretion, by RosettaNet, and that we will be advised of its determination after this application and fee are submitted.

**AUTHORIZED SIGNATURE**

I have read and will abide by RosettaNet Bylaws and Intellectual Property Rights. I authorize the publishing of our company name, contacts, profile, and logo on the RosettaNet website as well as the inclusion of a link from the RosettaNet website to our company website. I certify that the information contained herein is true and correct. If any changes occur, I will contact RosettaNet in writing.

## ROSETTANET INITIATIVE

1. **GOAL** The RosettaNet initiative will harness the global and pervasive reach of the Internet by defining and leading the implementation of open and common processes designed to align the electronic business interfaces between parties in the Electronic Components (EC), Computer and Consumer Electronics (CCE), Logistics (TC), Semiconductor Manufacturing (SM) and Telecommunications (TC) supply chains enabled by the Solution Provider (SP) community. As a condition to admission as a RosettaNet Partner, applicant agrees to promote and advocate the goals of the RosettaNet initiative.

2. **ORGANIZATION AND BYLAWS** RosettaNet was organized as a California non-profit consortium on March 31, 1998 and has qualified as a tax-exempt organization under Internal Revenue Code Section 501(c)(6) and applicable state law. In addition to Partners who serve on the RosettaNet Councils the organization has Partners that include members of supply chain companies, solution provider companies, standards bodies, trade associations, and government agencies. RosettaNet Partners will build, promote, and direct the initiative's business interfaces. The term Partner implies no partnership, venture or other legal affiliation. The organization's Bylaws are available to all RosettaNet Partners, and are incorporated herein by this reference. By execution of this application, applicant agrees to abide by the RosettaNet Bylaws, as modified by the Executive Committee on occasion, as a condition to admission as a RosettaNet Partner.

3. **INTERFACE DEVELOPMENT** RosettaNet follows a methodology for the development of interfaces, which is subject to modification from time to time by the RosettaNet Councils. Copies of the RosettaNet interface development are available to all RosettaNet Partners, and are incorporated herein by this reference. By execution of this application, applicant agrees to abide by the RosettaNet interface development, as modified by the Councils, as a condition to admission as a RosettaNet Partner.

4. **COMMUNICATIONS** As a RosettaNet Partner, applicant agrees to support the RosettaNet communication plan by participating in public and press events when appropriate, permitting the use of applicant's logo on RosettaNet's public and promotional materials, and permitting RosettaNet to identify applicant as a participant in the initiative.

5. **ROSETTANET IP POLICY** Upon admission to membership, applicant acknowledges and consents to the RosettaNet Intellectual Property Policy as adopted by the RosettaNet Councils. Copies of the RosettaNet IP are available to all RosettaNet Partners, and are incorporated herein by this reference.

6. **REPRESENTATIVE** Applicant shall designate an individual as its representative to RosettaNet and may identify other persons to so serve only after consultation with the RosettaNet Headquarter Office.
